1. Complete each line of the poem using a French-English dictionary:

Use your French dictionary skills and find a noun that is the same colour as the eggs in each line e.g. 'one yellow egg like ... a chick'

Remember to check if your noun is masc or fem in the dictionary and choose the right word for 'a'

Un = a (nm)
Une = a (nf)

2. Colour the eggs in the French colour

Vocabulaire:

Un oeuf = an egg un = a (masculine noun)
comme = like une = a (feminine noun)
